Seller's description

Free shipping to lower 48 states.

- The new Pro Series Kill Switch breaks away from a time tested design and introduces some much needed additions for safety and ease of operation and mounting.
- The new Pro Series Kill Switch is a necessity for all ATVs for the protection of riders and their ATVs.
- This switch will work with both battery and non-battery operated vehicles.
- "T" design pull knob for easier pulling to reset the switch.
- Internal o-ring for proper sealing to prevent contaminants from entering the main body.
- Removable bushing for use with standard (7/8") or oversized handlebars (1 1/8").
- Tether cord used for less interference.
- Durable plastic housing for years of abuse.
- Mounts in minutes with ease.
- Shuts off the machine in case rider separates from the ATV.
- Simple two wire installation.
