Dear Premier Notley,

**Re: No More Parks are needed in the Bighorn Area**

I am writing to inform you that I **see no need for any further parks in the Bighorn Backcountry**. The Bighorn is already protected by the Bighorn Backcountry Access Management Plan (2002). Changing these lands to a parks status will not provide any further protection while restricting select users for no reason.

The Bighorn Backcountry is a favorite destination for a multitude of recreational activities. There is a lot of hard work being done by volunteer groups to ensure that ALL Albertans will be able to camp, ride OHV's, horseback ride , and hunt on trails that protect the water and land.

I support the Alberta Off Highway Vehicle Association 4-Point Plan to ensure funding for sustainable trails and programs to provide Albertans with a world class multiuse trail system.

Best Regards,
