Santa's Toy Ride and Military Ride Coming up: Cancelled

The Fort Saskatchewan Snow Angels will run a toy run at the same time as the Military Ride this year, on Jan. 24/ 2009. Expectations of our club are to have some members go over the safety operation of a sled, martial the ride and secure the hall for a meal. Also arrange for a caterer. We are in need the club to lend out some helmets for this event so bring your helmets so let us know how many you can bring with you. We could have MLA's and Military present for the ride so we need at least 15 volunteers with sleds to help out with the ride.
