Sled for HEARTS Ride

Tri-County Snowmobile Club (TCSC) is hosting our 1st 100km "SLED for HEARTS Ride" in support for the Mazankowski Alberta Heart Institute.

A TCSC member and good friend Greg, contracted Legionaries disease in Dec 2011 and was placed in a coma for 35 days at the Mazankowski Institute for the month of January 2012. He miraculously survived and after a long hard rehabilitation he is doing very well and back sledding again. In appreciation for all the incredible work that the Mazankowski Institute has done for Greg and many others, we are hosting a fundraiser sled ride in Ministik.
