**PICK SAFER ROUTES:** Get your terrain photos analyzed by the CAC's senior public avalanche forecaster. Email your high-resolution photos to [joni.krats@teck.com](mailto:joni.krats@teck.com) in advance.

**SCENE MANAGEMENT/  
COMPANION RESCUE:** Kurt Tilbury of KT Snow Sense will discuss the life-saving techniques and strategies that are covered in the CAC's new course that will build on your AST1 training.

**SHARE LOCAL SNOWPACK  
INFO:** Gord Ohm from the Canadian Avalanche Centre will discuss the newly-developed Southern Rockies Observation Program.

**AND MORE:** Beacon talks, heli-extraction, information on local safety equipment retailers, local training resources and most importantly, YOUR stories and experiences. Together we will realize a shared goal of zero fatalities in the backcountry.

**\$20—Ticket proceeds go to the CAC.**
