

Revelstoke, BC. Dec 14<sup>th</sup> 2015 Press Release

Team Thunderstruck and The Revelstoke Snowmobile Club, with combined forces of our Sponsorship partners, have completed our best ever DVD Release party and community fundraiser on Nov 28 2015 at the Coast Hillcrest Resort Hotel.

Thunderstruck 14 is an Extreme Snowmobile Movie Production based out of Helena, Montana with strong roots to the Revelstoke market with BC Team Members. Team Thunderstruck enjoys what all sledders enjoy in the area with enormous amounts of Powder combined with accessibility to the amazing terrain that blankets the region. For that reason some of the segments are shot in the area during the winter season. Fitting for Team Thunderstruck to want to give back to the network that support every snowmobilers passion and in doing so raising much needed funds on this evening. Our evening was a memorial to the 3 Boulder Mountain Avalanche victims Shay, Curtis and Chris as well as a young 16 year old Brandon Oulette who was very close to our network of passionate riders.

Revelstoke Snowmobile Club enters into its 47<sup>th</sup> year of operations and remains the largest organized Snowmobile club in the Province under the British Columbia Snowmobile Federation. Its members are passionate about all the issues facing long term sustainability and of course riders safety. For this reason, we are proud to combine forces for this annual event with Team Thunderstruck and in doing so have raised funds for 3 much needed Beneficiaries this year.

These funds would not be possible without the amazing support of Sponsors, Volunteers, Team Thunderstruck and the Revelstoke Snowmobile Club. We would like to recognize each and every Sponsor who supplied product which we raffle and auction off throughout the evening festivities. All participants thoroughly enjoyed themselves as did the organizers. We certainly look forward to doing

it again for many years to come. A big Shout out to the evening crew, Jeff (Rozzy) Rosner, Brett Coupal, Shad Simmons, Brock Hoyer, Kathy Burke, Kathy Berlingette
